TAILORED TO YOUR SUBJECT AREA: 6 eBOOK PACKAGES IN SCIENCE, TECHNOLOGY, AND MEDICINE

NEW IN 2012

- ▶ Increased number of English titles – now more than 50% in English
- ▶ New English-language only packages in specific subject areas
- ▶ eBooks by Harvard University Press

OUR eBOOKS

- ▶ Each new title is published simultaneously in print and as an eBook or eBookPLUS
- ▶ All eBooks are available via our integrated online platform De Gruyter Online
- ▶ All eBooks are full-text searchable, indexed, and provided with DOIs and MARC records. Long-term archiving is supplied by Portico.

PACKAGE INFORMATION

- ▶ All titles in each package will be published within 2012
- ▶ Detailed title lists for each subject package are available at www.degruyter.com/ebooks

OUR MODEL

- ▶ eBooks can be ordered individually, as pick and chose packages, or as fixed packages.
- ▶ Prices for our eBook packages in 2012 are approximate and have been calculated based on the total price of all of the titles initially included in the package (minus 15% discount on the price of the subject packages)
- ▶ The final packages will be defined by November 2012. If there are any changes within the packages, invoices for the preliminary packages will be cancelled and replaced by invoices for the final packages
- ▶ As an alternative to our fixed packages customers can also select and purchase between 20 and 50 eBooks (or an invoice worth € 3,000.00 or more) and receive a 5% discount on the total list price. For purchases of 51 or more eBooks (or an invoice worth € 10,000.00 or more) we will grant a 10% discount on the total list price. For a purchase price of € 15,000.00 or more we offer a 15% discount of the total list price.
